

Procedures for COVID mitigation at National Gathering

The 2021 UMC RM National Gathering will follow these COVID-19 mitigation guidelines:

Capacity limits

We will follow PA's recommendation for large gathering capacity limits.

Or reduce capacity to maintain social distancing.

Indoor Masking

Masking is required when not eating or sleeping, even for fully vaccinated people. Masks will be provided.

Proof of vaccination or - test

All attendees, vendors, presenters, and visitors are required to have proof of vaccination (+12 years) or negative test from within 72 hours.

Fluid Meal Window

Fluid meal window, as opposed to a set meal start/end time, to prevent lines and maintain capacity limitations.

Social Distancing

Distanced seating during meals and in workshops will be in place.

Healthcare Professional

A healthcare professional will be onsite for any COVID-related situations.

Quarantine space will also be available.

Intentional Programming

COVID mitigation will be front of mind in all programming. Ample breaks and opportunities for outdoor time will be scheduled.

Red/yellow/green wrist bands to show interaction comfort level will be provided, along with masks and hand sanitizer.
