

# BRIDGE EVENT SERIES

## FEBRUARY 17th WORKSHOPS

### Cultivating God's Call in Young People

with Lori Richey, Program Resource Coordinator for the Timothy Circle, Institute For Discipleship, KS  
Young people thrive with clear action steps to help them on their path with following God's call. You have a role to play in cultivating that call in the lives of youth and young adults. The Timothy Circle Trail Guide is a free, online resource you can leverage to provide virtual programming and connection for the young people you serve. Discover more in this interactive workshop.

### Compassionate Communication

with Todd Bartlett, Executive Director for Oregon-Idaho Camp and Retreat Ministries, OR  
Compassionate Communication is a style of communication that employs empathy by engaging in practices of non-judgment, connection and finding strategies to meet everyone's needs. As a practitioner of this style of communication, I have learned that this is a way to fulfill the commandment to "love your neighbor as yourself." Please join in offering compassion to the world.

### Engaging in a Multiethnic/Multicultural Church

with Paul Park, Lead Pastor of Free Life Community Church, CA  
Workshop participants will be encouraged to share their experiences while learning tools and real life applications on how to engage, serve and even start a multiethnic/multicultural ministry.
